Dear Marcus,

Thank you for bringing your
musical expertise to our
conference. You've taught us well
and inspired us all to have
courage in teaching songs to
our students!

The workshop was a great success! The teachers are so excited about your ideas - many of them are already using them in their classrooms. Teachers who said they would NEVER use music in their class, now ARE. Also, it was such a gift just for us to sing & play together - something we had never done before you came.

We would - that is, we would love to be able to get you to come back in the spring. I don't want you to move away before we can take advantage of having you here! We'll start working on it. Thank you so much for coming.

Have a wonder-filled Christmas and a joyous new year.

Deep Peace,
Rebecca
