Workshop in Spokane - Public-School

The workshop was a great success! The teachers are so excited about your ideas - many of them are already using them in their classrooms. Teachers who said they would NEVER use music in their class, now ARE. Also, it was such a gift just for us to sing & play together - something we had never done before you came.

We would - that is, we would love to be able to get you to come back in the spring. I don't want you to move away before we can take advantage of having you here! We'll start working on it. Thank you so much for coming.

Have a wonder-filled Christmas and a joyous new year.

Deep Peace,
Rebecca
